Docket No. 19-ALJ-07-0045-CC

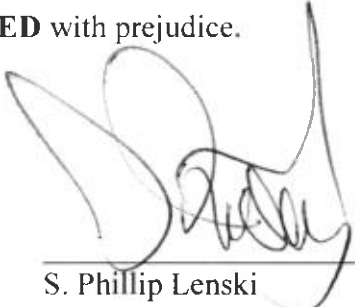

ORDER OF DISMISSAL

This case is before the Administrative Law Court (ALC or court) pursuant to a request for a contested case hearing filed by Preserve Ingram Dunes, Inc. (Petitioner) on March 4, 2019. The Petitioner is appealing the South Carolina Department of Health and Environmental Control's (Department) decision to grant Hillside Development (Hillside) general coverage under the National Pollutant Discharge Elimination System (NPDES) and issue a Coastal Zone Consistency Certification (CZCC) authorizing construction activities on a 9.4 acre tract in the City of North Myrtle Beach, Horry County, known locally as Ingram Dunes.

On June 19, 2019 the Petitioner filed a Voluntary Notice of Dismissal requesting the court dismiss this case with prejudice because the Petitioner had reached a settlement agreement with Hillside. Pursuant to the settlement agreement, the Petitioner agreed to dismiss this matter upon transfer of 7.24 acres of the property in dispute to the City of North Myrtle Beach for permanent protection. The property transfer was completed on June 4, 2019.

IT IS THEREFORE ORDERED that the Petitioner's Motion for an Order of Dismissal is **GRANTED** and this case is hereby **DISMISSED** with prejudice.

AND IT IS SO ORDERED.
